(864) 986-2525

brandonsimmons992011@gmail.com

Results-oriented college graduate with an Associate's degree in Web Programming (3.5 GPA) and over three years of hands-on experience in application development, web design, and search engine optimization. Proven expertise in C#, PHP, MySQL, and the Laravel Framework has resulted in the successful creation of award-winning websites showcased in Greenville Technical College's Senior Project classes.

Currently working at Clemson University, where I've developed several large-scale applications aimed at improving student retention, enhancing accessibility, and streamlining institutional workflows. Recognized for efficiency, innovation, and reliability by peers, I am passionate about leveraging technology to solve complex problems and drive organizational success.
